7th Annual Jersey Shore Boat Sale & Expo Returns to FirstEnergy Park

Manasquan, New Jersey – Summer may be coming to a close, but the boating industry is gearing up for the 7th Annual Jersey Shore Boat Sale & Expo set to take place at FirstEnergy Park, home of the Lakewood BlueClaws, September 18-20, 2015. Organized by the Marine Trades Association of New Jersey (MTA/NJ), this popular family event offers an outstanding array of boats and marine accessories hosted by the state's top marine retailers.

The season's best boat show offers an extensive selection of the industry's top brands to appeal to the wide variety of consumers searching for their next boat. In addition to a great selection of newly introduced 2016 models, dealers in attendance also will showcase a fleet of attractively priced 2015 models. Adding further value for the consumer will be a separate area devoted to clean, late model, previously loved boats offering special opportunities for the budget minded boater. Hundreds of boats, including family cruisers, express sport boats, center consoles, canyon runners, ski and pontoon boats, canoes, and kayaks, plus personal watercraft will be on display awaiting your inspection.

Along with the boats representing some 60 different major and regional brands, a boater's marketplace will be full of good deals for gear, accessories, marine equipment and services. New Jersey offers excellent coastal, bay, lake and river boating waters so representatives from many marinas will be on hand as well. The family friendly theme even includes attractions for young skippers in the popular Kids Cove, including crafts, boating safety, Reclam the Bay, and on-field experiences, sponsored by the Lakewood BlueClaws and the New Jersey Sea Grant Consortium.

As boat shows go, what could top a superb selection of new and pre-owned boats, a packed boater's marketplace, numerous family activities, and knowledgeable retailers to answer questions and help steer you toward good deals? Here's a hint: this is a MTA/NJ boat show! So, how about free on-site parking? How about a modest \$4 admission charge per person and children under 12 years when accompanied by an adult get in free?

"Last year's show featured over 300 new and pre-owned boats in over 130,000 square feet," stated Executive Director, Melissa Danko. "We are expecting the show to grow yet again this year, with new

dealers and new boat lines joining in for this great venue. This is one of the most convenient and affordable places to shop, get on board and enjoy hundreds of boats and boating accessories."
